

IRS Response Agreement

Sign up for Peace of Mind

*Tax Audits and Correspondence with taxing authorities have become an expensive inconvenience. Paying a tax adviser to respond to the various tax authorities can easily cost more than you paid to have the original tax returns prepared. Instead of worrying if you will be one of the lucky ones chosen for review, you can purchase an **IRS Response Agreement** for a fee equal to **25% of your tax preparation bill with an \$85.00 minimum fee**. IRS response will help you avoid the extra cost associated with representing you on issues or questions arising on your individual income tax returns. As part of your IRS Response fee, we will respond to all notices and correspondence and meet with appropriate tax authorities on your behalf with no additional charge for up to 8 hours of our time.*

This agreement covers all costs for professional services provided by Tax Center Plus prior to the appeals level, and is limited to a maximum of \$1,500 of professional fees. This agreement does not cover assessments for additional tax, penalties or interest, nor does it cover out-of-pocket expenses for the cost of any other professionals, such as attorneys, that may be called upon to assist you.

The fee for this agreement, along with a signed IRS Response Agreement and the fee for preparing your individual income tax returns must be paid upon receipt of your tax returns from Tax Center Plus. We allow no refunds or cancellations once you have signed this agreement.

Please call us at (509) 736-2400 if you have any questions.

Sincerely,

Tax Center Plus
